Personal Statement

The scholarships are intended to support individuals at risk, for example those fleeing armed conflict or victims of discrimination, persecution, suffering or violence on account of race, religion, nationality, membership of a particular social group or political opinion. Please explain how you are at immediate risk and the specific threat you face. What impact have your personal and/or family circumstances had on your ability to pursue higher education?

Maximum 500 words.

I am a university student from Myanmar. Military arrested my teacher, my friends and they try to arrest me and my family.
Because of Military coup, I can't study well. So I gave up to be my dreams.

What are your reasons for applying for the course you wish to study? How will this scholarship help you achieve your ambitions for the future?

You should write 250-300 words.

I want to be beneficial to people with my career. This scholarship will be one of the hope continue to stud. My ambitions is want to be computer software engineer. So this scholarship will help I achieve my ambitions for the future.
